

Hi!

You don't know me but I've just paid for your order. No gimmicks - it's just something I felt like doing.

I heard about people doing things for others on radio station KXOJ at 100.9 on the dial. They call it "the drive thru difference."

Maybe you'll feel like doing it for someone else!

I know that KXOJ loves to share stories on the air from people who have been surprised! Their phone number is 918-512-1009.

I hope this encourages you today!!

Signed,  
The stranger in  
the car ahead  
of you!
